E. Dissertation Status and Ideas: Please indicate where you are vis-à-vis your dissertation depending on whether you occupy one of the following three categories:

If you already have defended a dissertation proposal, indicate when you defended your proposal, how much progress you have made (in terms of either chapters completed or data gathered or analysis done), and when you plan to complete and defend the dissertation.

If you have not yet defended a dissertation proposal, but currently are working on a proposal, please indicate when you plan to defend your proposal, how much progress you have made on the proposal, and provide a brief summary of the topic of your dissertation.

If you are not yet at the dissertation proposal stage in your graduate career (e.g. you are in your first or second year in the program), please provide a brief description of one or more of the possible topics that you are interested in pursuing for your dissertation research. This description should be no more than 1,000 words.
